## Intent.

It's true, I haven't done a lot  
To show my natural bent.  
The things to judge folks by is not  
The act, but the intent.  
The crop that measured scant an' small  
The roof where rain came through—  
Don't notice them. They ain't at all  
The things I meant is do.

Behold that lofty mansard roof—  
You'll have to shut your eyes  
And take my spoken word as proof—  
See how that grain field lies  
Stretched out for miles, And from afar  
Great crowds have come to view  
My vast munificence. These are  
The things I want to do,

John Brown is Farming Out  
in Charlotte

## MAKES NO SECRET OF IT

And Thinks There Is No Great Necessity  
for Notifying His Wife in  
Clintonville, N. Y., as to His  
Whereabouts.

Burlington, April 12.—John Brown, the Clintonville, N. Y., farmer who came to Burlington and disappeared mysteriously on March 17, did not fall into the lake as supposed. He was found yesterday afternoon at the farm of Daniel Toner in Charlotte. When asked for the reason why he had not notified his wife at Clintonville he said that he didn't consider it necessary that she should know where he was, admitting, however, that there was no trouble. The authorities will notify the woman. Brown came to Burlington to visit friends and brought \$485 in money with him. This money he deposited in a Burlington bank and then went away. Much uneasiness was felt because it was feared that he had slipped through a crack in the ice into Lake Champlain while crossing on foot.

## THE NEW WAY TO CURE DYSPEPSIA

Pepsoids cure the worst forms of Dyspepsia and all other Acute or Chronic Stomach Disorders by repairing the worn-out lining of the stomach and destroying all disease germs. Pepsoids is not a patent medicine, but the successful prescription of Dr. Orliman, who has cured thousands of cases of Chronic Stomach Troubles, among them Cancer of the Stomach. (See formula on bottle.) Pepsoids are sold at 50 cents a bottle on an absolute guarantee to cure, or money refunded. ## GRANITEVILLE.

Allen J. Palmer is rapidly recovering from the effects of a severe blow which he received last week on the Jones Bros. quarry. It is thought that he did not hear the blast, whistle and the first warning that his fellow workers had of his plight was to see him lying near where he had been starting the quarry pumps. An examination showed that he had been hit over the left temple by a rock from the blast and it took several stitches to close the wound. He was able to walk home with the aid of two of his fellow workers.

## BLOCKADED

Every Household in Barre Should Know  
How to Resist It.

The back aches because the kidneys are blocked.  
Help the kidneys with their work.  
The back will ache no more.  
Lots of proof that Doan's Kidney Pills do this.

It's the best proof, for it comes from citizens of Barre.

Mrs. T. D. Strout of 137 Seminary street, Barre, Vt., says: "My kidneys were affected for about five years, causing me a great deal of pain in the small of my back. I would have such sharp twinges shoot through me when I attempted to stoop or lift anything that I had to rest until the attack passed off. I was so nervous I could not sleep nights, but tossed for about five years. I was so impressed by what I read about Doan's Kidney Pills curing others that I got a box at E. A. Drown's drug store. After using it there was a noticeable change for the better in my condition and I kept on taking the remedy until the pains in my back disappeared. I could do my housework with ease and could sleep well nights. For backache and kidney trouble Doan's Kidney Pills are a most reliable medicine."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## POULTRYMEN AND FARMERS

JUST RECEIVED, A LARGE LOT OF  
FOOT'S EVAPORATING NEST EGGS.

If you keep poultry you know that healthy hens is the secret of profitable poultry-raising. How many eggs do your hens average yearly? Do they average ten dozen or more? If they don't, your hens are not paying their board.

Foot's Evaporating Nest Eggs will kill lice and mites and completely exterminate them from your hen-house or barn. All you have to do is to place a nest egg in each nest and they do the rest. That's where they beat every other lice-killer. You don't have to do any greasing, painting, dusting, fumes and muzzing, which takes too much valuable time. You don't have to leave fresh eggs in the nest to rot or get broken. Foot's Nest Egg is the best nest egg ever put on the market, and the rat or weasel never lived that will touch it or the eggs around it. The odor of the Nest Egg is mild and perfectly harmless to poultry and will last for years. Now is the very best time to commence using them. Have the lice all killed before the young chicks get started, keep them away from the flock, and you will be surprised how much better chicks you will have and how quick they will grow up and commence to pay for their living. Lice kill a good many young chicks and stunt their growth. Then there is the terrible mite which must be kept at a far distance. Foot's Nest Egg will do this, or kill them instantly if they come near the hen-house. It does not make any difference whether you have a nice hen-house or not. Put the Eggs in a nest in the barn, shed, stable or anywhere, and they will do the rest.

I have the exclusive agency for these Eggs in Washington County, Vt., have bought a large stock of them in advance and will have a large stock on hand all the time. These Nest Eggs will be sold mostly through advertising and I want to supply every poultryman or farmer who sees this advertisement. I want to see your poultry business become a success. It does not make any difference whether you keep ten hens or ten thousand, they will do the work just the same. Everyone who keeps hens around here has heard of these Eggs are buying them and speak very highly of them. There are millions of them in use today.

I am express and freight agent here and can guarantee prompt shipments and quick delivery at your station, also lowest rates. If you only want a few, you can club in with your neighbors and get several dozen shipped to one address and the discount will pay the charges—and more, too. If convenient, you can get them right here from me direct at the office.

Price, 10c Each. Special Price, \$1.00 Per Dozen.

A. S. Daniels, East Montpelier Depot, Vt.
